1 - Introduction and History

Who we are

The club was formed in 1972 as Centurion Joggers by John Walker and others, along the way we became Centurion RC and absorbed Coleshill running group.

We are now based at North Solihull Sports Centre (NSSC), Conway Road, Chelmsley Wood B37 5LA. We take part in road and cross country (XC) competitions including the Birmingham Cross Country League and the Warwickshire Road Race League, but also major national events like the English National XC Champs.

We cater for any adults from absolute beginners to seasoned runners.

Club Training

Club nights are Tuesdays and Thursdays at 7pm outside NSSC. The sports centre has a running track that we will sometimes use for speed work sessions or warm ups prior to going out on the roads. Sundays are traditionally for longer runs, it offers us a chance to run out further, often from Coleshill, or even further afield like Cannock Chase or Lickey Hills.

Many of our training routes are available as GPX file via our website or by asking a committee member.

Races

Membership will give you the option of being entered into the following races (club pays your entry fee)

- 4x Birmingham/Midland XC races
- 2x Area relays in Sutton Park
- Area XC Championships
- English National XC Championships

The club also organises a Grand Prix series of 6 races each winter around a local course. Usually, the first Sunday of the month from November through to April. As well as several other intra-club competitions throughout the year.

Social

Along with our main social events, the awards evening, Christmas party and of course the Pub Run, we put on other socials throughout the year. These can include quiz nights, brewery tours, curry nights or athletics events such as the UK Champs or the London Marathon.

Membership Renewal Details

Membership renewals are due to be paid by the end of March each year. After the end of March if memberships have not been renewed you won't be permitted to run for the club or take part in club events or internal races such as the Yacht race. Club events that are open to non-members such as Target Zero are unaffected.

There will be 1 month's grace period where you can still train with the club. The committee will of course look at any extenuating circumstances with regard to late payment of

membership. Payment after March will incur late payment fees also, £5 for singles, £3 for concession and £7 for couples.

Other Services

- All training and racing is covered by governing body insurance.
- Free Track session on Tuesday nights at NSSC
- Club training kit and race vests are available from Team Managers.
- Many local running shops will offer discounts for club members, you will need to show you UKA membership card in most cases.

11 ~ The Complaints Procedure

Statement of Intent

Centurion Running Club (CRC) is fully committed to safeguarding and promoting the well-being of all its members, ensuring a positive and enjoyable experience for all. The club believes that it is important that members, coaches, administrators and parents associated with the club should, at all times, show respect and understanding for the safety and welfare of others. Therefore, members are encouraged to be open at all times and to share any concerns or complaints that they may have about any aspect of the club with the club Secretary or other committee member.

Aim

It is the CRC Committee's principal aim to learn from its mistakes. It will try to bring all concerns about the running of CRC to a satisfactory conclusion for all parties involved. Where appropriate, it will rectify mistakes, errors of judgment or missteps and in some situations, it may only be able to provide an explanation for its actions.

Methods

To achieve this, the Committee adheres to this Complaints Procedure. As part of its procedure, the Committee will keep a 'complaints summary' which comprises a copy of all complaints received and a copy of the responses that it provides.

Types of Complaint

Organisational/Administrative Complaints: For problems that have arisen in the ordinary day-to-day operations of CRC, which may include the standard of administration, coaching, organisation of club runs and activities, etc.

Member Conduct Complaints: For the more serious of complaints, for example; the improper or aggressive conduct of another club member, theft, etc.

Under each type of complaint, there is a degree of escalation that may occur depending on the seriousness of the complaint.

Who should you complain to?

All complaints must be addressed in writing to the Chairman of CRC, either via email at chairman@centurionrc.org.uk or in person.

NB: If the complaint relates to the conduct of the Chairman, address the complaint to the Club Secretary either via email at secretary@centurionrc.org.uk or in person

What should the complaint include?

1. Complaints must be clearly dated and must specify whether they are an organisational/administrative complaint or a member conduct complaint
2. Complaints must include a brief description of the event and the circumstances leading up to that event, providing dates, times and locations to the best of the complainant's knowledge
3. If you wish to make a complaint but require some assistance putting the complaint into writing, a template complaint form can be provided upon request

How will your complaint be dealt with?

All complaints received will be acknowledged within 5 days of receipt.

Organisational/Administrative Complaints

1. Step 1: The Chairman will investigate the surrounding details and provide feedback to the complainant regarding the outcome of that investigation within 28 days of receipt of the complaint.

Feedback may be provided via telephone, by email or by post. However, the Chairman's findings will always be recorded in a complaints summary and maintained for at least 3 years.

2. Step 2: If the complainant is unhappy with the outcome of the initial complaint, they may choose to:
 - a. request a face-to-face meeting with the Chairman within 30 days of the outcome of the initial complaint
 - i. Requests must be made in writing to the Chairman via email or in person. Following a request for a formal meeting, the Chairman will organise the meeting within 30 days of receipt of the request, at the earliest possible convenience for both parties
 - b. In the event that the meeting does not take place or proves insufficient, the complainant may escalate the complaint to England Athletics.

The Committee will store all information pertaining to organisational/administrative complaints for 3 years.

Member Conduct Complaints

1. Step 1: The club Chairman (or Secretary, if the complaint relates to the conduct of the Chairman) will investigate the surrounding details, contacting all relevant parties where necessary, including the complainant, the accused member and any potential witnesses.

The Chairman may call upon other club members to assist in the conduct of the investigation where necessary.

All efforts will be made with the relevant parties to address the issue raised and to find a satisfactory conclusion.

The initial outcome of that investigation will be fed back to the complainant and the accused member within 28 days of receipt of the complaint, where possible.

NB: If further time is required, all relevant parties will be informed

If the complaint is upheld and the accused member is found to have broken the club's Code of Conduct, disciplinary action will be taken.

2. Step 2: If the complainant or the accused member is unhappy with the outcome of the initial complaint, they may choose to:
 - a. request a face-to-face meeting with the Chairman within 30 days of the outcome of the initial complaint
 - i. Requests must be made in writing to the Chairman via email or in person. Following a request for a formal meeting, the Chairman will organise the meeting within 30 days of receipt of the request, at the earliest possible convenience for both parties
 - b. In the event that the meeting does not take place or proves insufficient, the complainant or the accused member may escalate the complaint to England Athletics

The Committee will store all information pertaining to member conduct complaints for 5 years.

13 ~ Inclusion Policy

For the purposes of this policy 'inclusion' means access for all. It means recognising differences between individuals / groups and providing opportunities for them to participate in Athletics and Running regardless of those differences, whether this is as a participant, coach, leader, official, volunteer or member of staff.

Centurion Running Club embraces diversity and difference and is committed to providing opportunities that are safe, inclusive, accessible and equitable. We want our club to be equally accessible to all members of society, whatever their age, disability, gender, race, ethnicity, sexuality or social/economic status.

We will develop a focus on inclusion, not exclusion, and ensure that we provide appropriate advice to members and volunteers to ensure that everyone can participate as fully as possible.

The Inclusion Policy is intended to promote a change in attitudes and perceptions and to improve opportunities for everyone to participate at our club.

We will seek to ensure that we comply with the [Equality Act 2010](#) and the characteristics protected by it (age, disability, gender reassignment, race, religion or belief, sex, sexual orientation, marriage and civil partnership and pregnancy and maternity) and encourage our members to do so. We will seek to include everyone regardless of whether they have a protected characteristic or not.

Our aim is to provide an environment where everyone feels:

- Welcome
- Represented
- Included in decision making
- Able to participate
- Safe and free from discrimination, bullying, harassment and vilification.

Aims

The aims of the Inclusion Policy are:

- To promote the development of knowledge and understanding of disability, equity and inclusion amongst our participants, leaders/coaches, officials, volunteers and competition/event organisers by the provision of appropriate guidance and training. To guide and support the integration of inclusive practice into our core club/group programmes and activities.
- To contribute towards growing and sustaining numbers of people from under-represented groups participating within our club.
- To promote inclusion within Athletics and Running wherever possible and in accordance with the provisions of the Equality Act. The chairperson is typically the most senior official role in a club and fulfils a range of duties dealing with overall management of club affairs. The chairperson leads the club to achieve their vision, short term and long-term goals.
- To adopt inclusive practice within our competition and events.

- To promote close working partnerships with relevant groups and organisations to support the development of inclusive practice within our club.

Commitment

We will;

- Not tolerate discrimination, harassment, bullying or victimisation.
- Actively identify and reduce barriers to participation for under-represented groups.
- Consult with expert partners and other organisations to facilitate inclusive practices and remove barriers to participation.
- Ensure under-represented groups are given the opportunity to participate in all aspects of our club.
- Provide opportunities for all in coaching, officiating and leadership positions.

There are a number of measures that we will take to ensure that we are working under the guidance of the Policy and within the requirements of the [Equality Act \(2010\)](#).

We will provide a welcoming environment

- We will think positively about how we can include people rather than focusing on potential barriers to participation.
- We will consider how our club/group is promoted. For example, by providing information in formats which are accessible and by using appropriate imagery.
- We will encourage people to contact us to discuss their needs and requirements to facilitate inclusion and we will ensure we consider what reasonable adjustments could be made to enable them to participate.
- We will develop the knowledge and understanding of key officials, coaches, leaders and other volunteers, of disability, equity and inclusive practice by providing appropriate guidance and training.

We will talk to people

- We will, so far as is reasonably possible, consult with relevant groups and with prospective individuals about their needs and requirements.
- We will not make assumptions and will try to speak to people about the reasonable adjustments they believe might be made to enable them to participate and to discuss how these could be made.

We will make reasonable adjustments

- We will demonstrate that every effort has been made to enable everyone to participate and that inclusion not exclusion has been the priority.
- If reasonable adjustments are required to make an event/activity accessible, then we will make those reasonable adjustments.

14 ~ Health & Safety Guidelines for members

Updated: 4/5/2022

Club Responsibility: As far as possible, the Club will aim to protect the health and safety of all members engaged in Club training and participating in Club competition.

Guidelines: The scope of the Health and Safety guidelines extends to training sessions and organised Club events. In order to achieve its aim, the Club will:

- Endeavour to provide helpful guidance to members verbally and make the Health and Safety Guidelines available on the Club website
- Ensure that Club coaches have appropriate training to lead Club training sessions, and provide details of the Club coaches on the Club website
- Provide suitable facilities and equipment for Club training sessions and Club events including First Aid and Welfare facilities.
- Ensure that any organised Club race or Club event is subject to a suitable and sufficient risk assessment.

Member Responsibility: Members should familiarise themselves with the Health and Safety Guidance located in the club handbook. This Guidance includes advice on weather, terrain, personal limitations and protecting your fellow Club members. As members you have a responsibility to do your best to prevent harm to yourselves, your running partners or members of the public. As members you should acknowledge that you owe a duty of care to not wilfully injure yourselves or others by your negligent acts or omissions.

Reporting: The Club relies on its members to report any problems encountered whilst running on training routes. For example, dangerous stiles, damaged pavements, potholes, poor visibility etc.

Guidelines Review: The Health and Safety Guidelines, Club procedures and any associated Health and Safety Guidance will be reviewed, at least on an annual basis, to ensure that they remain accurate and reflect the Club ethos.

The Guidelines:

All members agree to abide by the Club's Health & Safety Guidelines as follows:

Safety generally: All club members must take personal responsibility for their own safety, whilst keeping a watchful eye on others running in the same group, particularly new members. Consideration should be given to others, and common sense used. Members should be aware of the advice available through running magazines and other sources on issues including diet, dehydration and the treatment of strains and injuries due to participation in the sport. Advice should be sought from experts and professional practitioners outside the running club as appropriate.

Medical conditions: All members of the club declare themselves medically fit to run at their own risk and shall not hold the club responsible for any incident

occurring through a personal medical condition or injury. As appropriate, members should request regular check-ups with their General Practitioner. Members with any medical conditions agree where appropriate to carry with them the relevant details of the condition and their name, address and emergency phone number contact details. Voluntary disclosure of medical conditions shall be the responsibility of the individual member or their carer in circumstances where they consider an individual risk assessment approach to their welfare may be appropriate.

Appropriate clothing: Members should understand the value of wearing appropriate clothing for the time of year and appropriate shoes for the variations of terrain. When running in the dark members should take responsibility for making themselves highly visible by them wearing "Bright fluorescent clothing with reflective strips/shapes" and please be aware that drivers may find it difficult to see you. Below is an example of an acceptable outer layer:

Staying together: The group endeavour to stay together as much as possible. Members should take care to listen to the proposed route before setting off. The group lead should ensure that a head count is taken and that a tail runner (**back-marker**) has been assigned to ensure that no one individual gets left behind. Whenever mixed ability occurs within a group, regrouping should take place at appropriate times along the route to ensure that no one individual gets left behind. If anyone decides to leave the group whilst out on the run, they must inform at least one other runner in that group.

Upon returning to the start the group lead should check that everyone who started out has returned or can be accounted for.

Road Sense: Routes shall be planned to avoid unlit roads at night during hours of darkness. Routes passing along roads without footpaths shall be avoided wherever possible and when this is not possible (on quiet roads) runners shall run to the right to face any oncoming traffic or to the left at bends where forward visibility to the right is limited.

First Aid: Members shall familiarise themselves with any individuals who have a recognised emergency first aid qualification within the club.

Run Leaders: Should ensure group management is followed and the each group has a mobile phone with them for emergencies.

Club Events: All sports events organised by the club shall be kept under review and if necessary allocated members shall undertake and record risk assessments and Event Health and Safety Plans. All events shall be staged in accordance with the rules and guidelines stipulated by England Athletics and their insurers.

At Races: All members should complete the medical information on the back of their race number. When at team events managers/captains/committee members should have a list of emergency contact details and medical details available for attending members.

Incidents: Whenever reasonably possible, one member of the group should carry a mobile phone. In the event of an incident, members should first check if anyone is injured and locate an emergency first aider. It is advisable for at least one member to stay with the injured person, who should not be moved unless their location is immediately life threatening. If appropriate, emergency services should be contacted using 112 from a mobile phone as it will record your location; alternatively use 999. Finally, a member of the committee should be informed as soon as is practically possible in order that relatives can be informed and incident records made.

Incident records: Any incidents should be reported to a club committee member for future reference, and for making known to all club members when appropriate. Actual incidents involving any member or third party shall be formally recorded with a **committee member in accordance with England Athletics** guidelines.
